

Skymark Center - Staircase and Balustrades

Location Toronto, Ontario
Designer / Architect Rafael & Bigaukas
Duration Awarded in Oct 2002 - Completed in Jul 2003

Scope - Soheil Mosun Limited was contracted to complete the engineering, fabrication and installation of 300 linear feet of brushed bronze balustrade and curved stair rails, complete with wood handrail and posts.

Highlights - All elements had to be strictly site coordinated to ensure a perfect fit to imperfect field conditions. The result was a great example of Soheil Mosun Limited's reputation as a fabricator that takes tremendous pride in its attention to details.
